

Wily 1

- Screens 1 and 2 - Wily Archive 1

Screens 1 and 2 - Wily Archive 1

Rain Screen Manip

As mentioned in [RNG Manipulation](#) - moving the same way through a screen to the frame, and killing the same number of enemies, results in the same RNG value. Movement through the rain screen (holding A to jump at beam in) and not stopping results in the same pattern for the first Wily Archive fight every time.

Archive 1

Weaknesses:

- Elec Man (Left) - Wheel Cutter
- Wood Man (Center) - Triple Blade
- Gemini Man (Right) - Wheel Cutter
