

Wily 3 - Part 1

First Screen

Ice Wave

Second Screen - Climb

Ball jumping.

Use the middle mine after the first floating time bomb to jump up instead of ball jumping the full distance, to save a mega ball for later.

Second Screen - Long Spike Passage

The money jump timing is tight. Be on your game.

Know Your Backups - Remember the intended strat is to jump on the last "guts man" rock. Don't kill Guts Man or destroy his rock. You can use Tornado Hold in a pinch, but you have to be able to jump to it.
