# Version Differences

The Japanese version of Mega Man Zero 2 features zips. This was patched out of the North American release.

# Weapon Experience

Mega Man Zero 2 features a weapon experience system like Zero "1". The more you use a weapon, the better Zero can use it.

Information here was originally posted in a pastebin by Kuriban - <https://pastebin.com/AFeyKueR>

**It should be noted - Damage done during the intro stage does not affect weapon experience.**

## Z-Saber

### Levels

Level	XP needed	Effect

# Item Locations

Many of these are safety items, but they are listed here for convenience. This is not a complete list of elves.

## Sub Tanks

### Actual Tanks

Ourobockle's stage - near the end before the crusher screen. Pull the block down to the spikes below, then cross the spikes to the left (Dash jump or Strike Chain grappling)

## Cyber Elves

Elf Name	Stage	Energy	Location	

Estan	Neo Arcadia (1)	700	<p>Early in the stage, behind a large block movable with the Chain Rod.</p> <p>Fire the chain rod into the block, then press "away" then the chain connects.</p>	
-------	-----------------	-----	--	---

## Life Upgrades

Elf Name	Stage	Energy	Location	
Grandie	Phoenix	300 700	<p>Use the bombs to destroy the top wall in the first long indoor section, just before the red platform. The red platform can be destroyed by bombs.</p> <p>The elf is up above in a box</p> <p><b>This elf doubles Zero's HP</b></p>	
Euppie	Fefnir		under ladder beneath big green cannon Pantheon.	
Fuppie	Poler Kamrous		In a box above the door leaving the Ice Golem's room.	
Mappie	Burple		in the box through hidden passage below ruins entrance.	
Yeppie	Ourobockle		hidden in the trees near the start	

## Damage

Removes half of a boss's health

Elf Name	Stage	Energy	Location	
Hafmardo	Polar	300	Dropped by the Ice Golem after defeating it.	

# Z2 Rank & EX Skills

Defeating bosses while starting the stage with (at least) A-Rank will give Zero an EX Skill.
